

## Draper Elementary Parking Lot Procedures

Student safety is always a concern for school staff, but keeping children safe in the parking lot requires the cooperation of everyone – from school staff to parents and the children themselves.

- Please **be attentive** to children and other vehicles and **be courteous** to other drivers.
- Obey the speed limit and traffic rules. **Slow down** when entering the parking lot.
- If you are parking, you need to **park in a designated parking space, get out of your car, and walk across the crosswalk to pick up your child from the pick up area.** If no spaces are available, or if you'd prefer to remain in your car, you need to join those waiting in the "pick-up" lane.
- **The side parking lot is closed to traffic before and after school.**
- **Use sidewalks and crosswalks.** Do not cross in between buses or cars.
- Please note that our parking lot is **one way**.
- Please **respect homes and business around our school.** Please do not use a business parking lot as a pick up location. Please do not block the driveways of our neighbors.
- Please respect school staff as they enforce traffic and safety rules.

We know space is limited, but we can accomplish our goal of a safe and civil parking lot if we all work together. Thank you for your cooperation.

*Please see below for a detailed map of school parking lot.*

DRAPER ELEMENTARY  
MAIN ENTRANCE

SIDEWALK – Walking only; may be slippery when wet

STAFF PARKING

Students and parents must always use the crosswalk
