Meeting Start time: 3:30 pm

1. Welcome – All members were welcomed and introduced by Mrs. Westerlind. Our SC roster contact information was reviewed and edited. All watched the video on where our Trust land money comes from. Questions were answered by Ms. Sorensen and Mrs. Westerlind.
2. SNAP Plan was explained and reviewed by all. Ms. Sorensen asked everyone to be aware of needs and changes that they see within the boundaries. She will be looking for updates around January for the next SNAP plan. At this time, Draper City has notified Ms. Sorensen that they are planning on putting in a new sidewalk along the east side of Fort Street that will connect the new walking path to our entrance street for the school. Timeline is uncertain but the plan is to have it in sometime this year.
3. Ms. Sorensen shared how some of the Trust land money will be spent to support our teachers will collaboration time. The purpose is to allow them to look at student data and plan intervention/enrichment for our Dragon Time. The rest of the money is to support our Curriculum aides who work with our Tier II student populations. Council members discussed, looked at how Dragon Training works and school CRT & AYP results were shared.
