

## Draper Elementary School

In attendance: Michelle Westerlind, Holly Hagen, Maggie Long, Joanna Meyer, Jennifer Ipson, Ginny Watts, Kenna Sorensen

Meeting Start time: 3:30 pm

1. Welcome
2. Grade Reconfiguration updates were shared. The district will be providing information throughout the year as the 2013-2014 school year approaches. We want to get feedback and communicate with our community as the information rolls out.
3. Cell Tower Updates;  
The district is setting guidelines for cell tower distribution. There is a need to provide cell tower funds for all schools and not just the schools who house a tower. We currently have an unoccupied tower that still provides funding for our school. We receive around \$6,000.00 a year from this tower. We use these funds to hire a Chinese-speaking classroom aide who works on a rotation with all of our dual immersion classrooms. The new district policy will have a portion of these funds now go to other schools where there is no tower. It may only be a small portion, but we will wait to hear the final report from the district.
4. Fun Run Updates:  
Reminder that the SCC is no longer a fundraising entity. We will still continue to support the school/PTA-combined fundraiser. Our goal is to raise enough money to purchase an additional mobile computer lab. We know it is lofty but we hope that if we identify a goal vs. just wanting to raise money, we will reach our goal.
5. Teacher / School professional development is focusing on active engagement, explicit teaching and core instruction.

Teachers are receiving training on each of these areas and the implementation of a new reading/language arts program – Reading Streets. It will look different and teachers will be learning about the program over the summer.
