Meeting Agenda:

1. Welcome Janene
2. Approve Previous Meeting Minutes Janene
 - a. [DRAFT Minutes 03/28](#)
 - b. Megan motioned to approve the minutes. It was seconded by Brooke. The minutes were unanimously approved by those present (Stacey was not on the phone yet when the minutes were approved).
3. Reading Nancy
 - a. Nancy has a son in 7th grade and his reading inventory showed the past 3 years of reading. His last year of elementary school (during COVID) and he had a teacher not on the computers (did packets). Her son increased by 300 points. When he went to middle school he dropped again. It showed drops in middle school. Her observation (and conclusion) is that computers are not good for kids.
 - b. Julie said it has a place and a purpose. Christy said the district is backing off some on computer learning. It is unsure if we will have Lexia next year. Nancy asked if we will have ST math. Christy said no we will have iReady. The drawback is that ST math could be done in Chinese class. BLT put in for the grant for iReady.
4. School Update Christy
 - a. School Carnival 4:30-7:30pm
 - b. We are going to have a Retirement reception for Mrs. Waddell, Marian (head secretary) and Spring (secretary) and all are invited. May 16th 3:30 to 5:00
 - c. We are hiring a Kindergarten teacher to replace Julie McFarland. Julie will be retiring and moving to Logan.
 - d. Next week is teacher appreciation week.
5. Safe Walking Routes Janene
 - a. Stacey and Janene visited Mr Cline regarding the sidewalk on Fort Street in front of his property. We gave him [a letter](#). It sounds like he is not exactly FOR

the sidewalk, but is tolerant of it. He would rather "do it or not" and move on. He wanted to know a timeframe that the sidewalk would be put in?

- b. It was good to build a personal connection and contact with him.
 - c. Questions we have asked the City: How is the city feeling about this project? We are 100% pro kid safety at that corner. We acknowledge that the sidewalk will cost time and money. And it sounds like time and money that will have to be redone once all sidewalks on Fort Street come. Is it possible to do it "right" the first time so it will not have to be redone?
 - d. Stacey has contacted the city again but has not heard back.
6. Discuss 2022-2023 SCC members Janene
- a. Everyone was ok with returning; a few maybes. Janene will talk to Ronnie about spots that need to be filled.
